

G5 ARCHITECTURE & DESIGN JOINS FORCES WITH B3ARCHITECTS

B3 are delighted to announce that on September 1st **G5 Architecture & Design Limited** joined forces with **B3 Architects** in an exciting and mutually beneficial merger.

B3 Architects now have 7 regional offices in Cardiff, Aberystwyth, Newtown, Loughborough, Bradford, Newcastle upon Tyne and Glasgow, offering a full range of Architectural and Specialist Construction Consultancy Services.

The Glasgow office will now be known as **B3 G5** and the mutual ambition of the merged practices will be to expand the existing portfolio of projects and provide first class architectural services to existing and new clients in Scotland and the North of England.

G5 have a proven track record of delivering a number of significant projects both in the UK and overseas including Bothwell Manor in South Lanarkshire, Freeport Grand Bahama and most recently assisting Aecom Davis Langdon and South Lanarkshire Council in the delivery of Muir Street Nursery as part of the councils nursery education programme.

This strategic merger will allow us to further expand our portfolio and skills with the support of over 50 specialist and skilled staff across 7 B3 offices located throughout the UK.
